

CRITICAL INFORMATION SUMMARY

SIP Trunking and PAYG Services

Information About the Service

Description of the Service

Our business services are targeted specifically to small to medium businesses and are designed to function with a broad range of customer environments and hardware configurations. We acknowledge that everyone has a different requirement, so we work closely with our clients to offer a bespoke solution.

- Is the offer part of a bundle? No
- Is the customer required to buy any goods as part of the offer? Optional (See below)

What Is Included:

This Business SIP Trunking plan includes great value call rates and also free MedicCom to MedicCom calls.

What Is Not Included:

Your plan does not include calls to 13/1300 numbers, Local/STD calls, mobiles, international calls and premium service numbers. Charges to these services will apply and are outlined below. This plan does not include any handsets or other hardware or equipment.

SIP-Compatible VoIP Handset(s) or PBX Required

In order to use this service, you will need a VoIP telephone handset, PBX, ATA or software compatible with the SIP protocol.

MedicCom recommends using this service with handsets purchased from the online shop at www.MedicCom.com.au/shop to ensure that you have a compatible and supported device.

Alternatively, you may provide your own SIP compatible VoIP equipment or software. For more information about compatible equipment and software please see contact us.

Charges for using this service

The minimum monthly charge for a bespoke plan will start at \$19.95. In addition to the minimum monthly charge, the following call rates are an example of what is typically applied.

Destination	Timed (\$/min)	Flagfall (\$)	Billing per (seconds)	Min Charge (\$)
Australia 1300	0	0.25		0
Australia 13	0	0.25		0
